This is your chance! Get rid of all clutter in your life and make money doing it!

Clean out your attic and basement, grab all the junk in your garage and bring it along to sell.

You may either:

Rent space from us @\$20.00 a “Block” and up. You do your own selling and keep the proceeds.

Not here on the 30th? Or not interested in doing your own selling? Bring your stuff along to a drop-off point the week before, clearly price-tagged and we will sell your goods for you. The proceeds will go to the Community Center Endowment Fund, and you will receive a tax deduction!

Vendor spaces MUST be pre-reserved!

FOOD FOR SALE TOO!!
